## Book Sale

Here's an easy fundraiser idea from PWs at Central and First in Fort Smith. Get donations of used books from your congregation. Place them in a prominent place on long tables – put them in general categories (or not). Put out a basket and a sign saying “Take a Book and make a Donation for the Carpathian/Ukraine Solar Water Project.” Run this sale as long as you want. Just remember to pick up the money every now and then.
